Description

—One size Princess Length necklace from red jasper stones in twos with zamak and ceramics. Each stone will be unique, differing in size

Necklaces: Jasper Energy

and colour.

- There are several dozen types of jasper which each have unique properties, but in general jaspers all share the property of connecting the wearer with Earth energy and have a grounding and stabilizing effect.
- To enjoy your jewellery and to keep it looking its best please avoid contact with harsh products such as nail polish removers, perfume and hairspray.
- Never go swimming in your jewellery, chlorine in swimming pools can cause damage.
